Visvesvaraya Technological University
East west institute of technology

SKILLS

Programming Languages:
- Java
- JavaScript
- SQL

DatabaseManagement:
- MySQL
- SQLServer

Core Concepts:
- Object-Oriented Programming (OOP)
- Front-End Development, Problem Solving

WebTechnologies:
- HTML
- CSS
- Bootstrap
- React.js

Tools & Platforms:
- Visual Studio Code
- GitHub
- solid edge

PROJECTS

07/2023

Pneumatic Bicycle Operated Using the Inversion of Slider Crank Mechanism
- Designed an eco-friendly pneumatic bicyclepowered by compressed air as a renewable energy source.
- Integrated components such as a solenoid valve,crankshaft,Arduino board, and air storage tank.
- Achieved a travel range of 5km on single full air charge .

05/2022

Mini Project
Transparent IC Engine Mechanism
- Developed atransparent working model to demonstrateinternal combustionengine mechanisms.- Aimedtohelplearners visualize and understand engine components and their operations.

Music | Acting | Traveling

INTERNSHIP

Injection Moulding Process
Industrial Internship
- Acquired hands-onexperience in injection moulding operations, material handling, and designoptimization.
- Learned about waste reduction techniques, production efficiency, and material re-usability in manufacturing processes.

Sentimental Analysis using Machine Learning (TQS lab)
- The machine is trained in a such a way that by taking the input it will give a star rating of (1-5) where 5 is best and 1 is the worst along with that the machine is traied in a way that it will give a word count . It will provide a accurate output based onNode jsthe comment user gives

CERTIFICATES

Tug-of-War National Championship
29th Junior Men Tug-of-War National Championship (junior Boys Under-19 Years)

All India General Knowledge Examination
Certificate of performance and completing the advance Level-Three during the year 2015 with merit

Advanced Computer Course
Spoorthy Education Services Pvt Ltd..

Certificate of Internship
from , Manjushree Enterprises Private Limited

Karnataka Gandhi Smarak Nidhi, Banglore
Gandhi Vichar Sanskar Pariksha

Java full stack developer
pursued in JSPIDERS institution

DECLARATION

I here by declare that all the information given above is true and correct to the best of my knowledge.
